

PROCESS	PRODUCT/INDICATORS	EVALUATION
(1)		
Number sense and numeration.	Compares and orders numbers through 5 digits rounds numbers though 5 digits to nearest ten, one hundred, and one thousand	Pre/Post test, chapter checkup
	NM less than 60%	
	PM 60% to 79%	
	M 80% or greater	
(2)		
Addition and subtraction of whole numbers	Adds and subtracts three and four digit number. Estimates sums and differences.	Pre/Post test, chapter checkup
	NM less than 60%	
	PM 60% to 79%	
	M 80% or greater	
(3)		
Multiplication of whole numbers	multiplies numbers by 1 and 2 digit numbers	Pre/Post test, chapter
	NM less than 60%	
	PM 60% to 79%	
	M 80% or greater	
(4)		
division of whole numbers	divides numbers by 1 and 2 digit divisors	Pre/Post test, chapter checkup
	NM less than 60%	
	PM 60% to 79%	

PROCESS		PRODUCT/INDICATORS	EVALUATION
(5)	M	80% or greater	
Fractions		writes fractional parts, equivalencies, compares and orders fractions, demonstrates knowledge of greatest common factors and lowest common denominators. Writes mixed fractions.	Pre/Post test, chapter checkup
(6)	NM PM M	less than 60% 60% to 79% 80% or greater	
Addition and subtraction of fractions		Adds and subtracts fractions and mixed numbers with the same and different denominators.	Pre/Post test, chapter checkup
(7)	NM PM M	less than 60% 60% to 79% 80% or greater	
Multiplication and division of fractions		Multiplies and divides fractions and mixed numbers with the same and different denominators.	Pre/Post test, chapter checkup
(8)	NM PM M	less than 60% 60% to 79% 80% or greater	
Geometry and measurements		Identifies, names, and classifies points, lines, planes, angles, polygons, spheres, cones, and cylinders.	Pre/Post test, chapter checkup
	NM	less than 60%	

Fifth Grade Math

PROCESS	PRODUCT/INDICATORS	EVALUATION
(9)	PM 60% to 79% M 80% or greater	
Addition and subtraction of decimals.	Reads, writes, compares, and orders decimals. Rounds and estimates decimal sums and differences.	Pre/Post test, chapter checkup
(10)	NM less than 60% PM 60% to 79% M 80% or greater	
Multiplication and division of fractions	Reads, writes, compares, and orders decimals. Rounds and estimates decimal quotients, and products.	Pre/Post test, chapter checkup
(11)	NM less than 60% PM 60% to 79% M 80% or greater	
Statistics and probabilities	Interprets and makes line and circle graphs.	Pre/Post test, chapter checkup
	NM less than 60% PM 60% to 79% M 80% or greater
